Tuition raise for undergraduate international students

By Dr. Nyan-Hwa Tai

Vice President of Academic Affairs

April 24, 2014

■ Classification of students in Tsing-Hua

- Domestic students: (Taiwan citizen, Hong Kong, Macau)
- International students: (China and foreign countries)

■ International students from different countries have to pay the same tuition.
(Conclusion from the previous meeting of the Tuition Review Board)

■ Document from Ministry of Education(MOE)

- 「MOE Regulation Regarding International Students Undertaking Studies in Taiwan」 Article 21 states, **tuition and fees for international students are upon the decision of each university. The tuition standard cannot be lower than the ones adopted by other private schools at the same level.**
- 「Regulations Regarding the People of Mainland China to Study in Taiwanese Institutions of Higher Education」 Article 16 states, tuition for students from China will be decided by school base on the costs. The minimum tuition should be in accordance with the tuition and incidental expense of private school in previous year published by Department of Education.
